## From the President's desk

The Great American Clean-up on April 26 was quite a success. Once again Suzanne Summer coordinated the event, which drew between 80 and 90 volunteers. Classen Park, the Hollister Triangle and Bellevue Park were all cleaned. The Channel 5 property was beautified, the plantings at the corner of Chickasaw and Warner were spruced up, Schorr Alley was swept, and litter was removed from many streets. This was probably the biggest clean up yet. Many thanks to everyone who volunteered. Debby Herman coordinated donations from our local businesses: Baba Budan, Mac's, Spicy Pickle, JimmyJohn's, Potbelly, BW3s, and Panera. Please patronize these establishments to show our appreciation for their support. And thanks to Mr. and Mrs. Windholtz for allowing us to set up at Christy's.

A press conference was held on the steps of Hughes Friday, May 9 to wrap-up the Neighborhood Enhancement Program. Although the program officially ended after 90 days, we will continue to meet with various city departments to extend some of the work that was started. For example, staff from the city's Department of Transportation and the Police Partnering Center are working with our CPOP team to replace damaged street signs. We received funding from Third Federal and U.S. Banks, which we are using to subsidize the purchase of heavy, lidded garbage cans for residences in the NEP target area. Some of this funding still remains, so if you are in need of a can, please let us know. The city's Building Department is still processing orders for repairs on houses in the target area. A number of resources are

available for residents who need help with repairs. If you know of someone needing help, please contact a CUF Trustee.

The annual election of Trustees happens at the July meeting. Five candidates will be elected to serve a three-year term. Please take this opportunity to ensure that your CUF membership is current so that you are eligible to vote and run for office. The date for dues renewal appears just below your name on the label of the newsletter. Dues can be mailed to 2364 West McMicken Ave, 45214 or paid in person at meetings. There is a lot going on in the community these days. An active membership is needed to keep our organization strong.

Finally, Ray Brueckner, a long time CUF resident, gave us a substantial donation to spay and neuter stray cats. A number of people have been involved in this effort for a couple years. To show our appreciation, Mr. Brueckner has been invited to the May meeting. We'll be having cake and refreshments. Come join us!

## Cincinnati's Climate Protection Action Plan

The City of Cincinnati's Office of Environmental Quality has worked with a Steering Committee, appointed by the Mayor, composed of leaders from business, government, civic, labor and environmental organizations, to produce a climate protection action plan. They created six Task Teams of 130 community participants and experts that addressed the areas of energy, transportation, waste, land use, advocacy and greenhouse gas inventory.

The task teams developed a series of recommendations that became the basis for the draft Climate Protection Action Plan for reducing the city's greenhouse gas emissions and their impact on global climate change. You can read the draft plan at the City's website at [www.cincinnati-oh.gov](http://www.cincinnati-oh.gov). The link to the plan is under the Features section of the home page. (or [www.cincinnati-oh.gov/cmgr/downloads/cmgr\\_pdf18280.pdf](http://www.cincinnati-oh.gov/cmgr/downloads/cmgr_pdf18280.pdf)). The Steering Committee is currently reviewing the plan. Once approved by the Steering Committee, it will be presented to City Council. The Committee is interested in the comments of citizens.
